Mr. A. W. Randall  
Executive Vice President  
Mutual of Omaha  
Omaha, Nebraska

Dear Mr. Randall:

Thank you for your letter of 27 August 1965 confirming the good news that you will be able to continue underwriting our group hospitalization program GMG-1719, at current rates.

We have sent Mr. Conway and Mr. Jones copies of our letter to the Civil Service Commission requesting certain benefit improvements and premium rate increases. We are hopeful that the Commission will approve our proposal and that the new benefits will add significantly to the coverage afforded by this contract to our subscribers.

With respect to your concern about the increasing loss ratio, we are prepared, of course, to discuss rate adjustments at such time as you feel this is warranted.

Best wishes.

Very truly yours,

[Redacted Signature]

Dear [Redacted]

Master Policy GMG-1799  
Government Employees Health Assn.

This letter will serve as a confirmation by Mutual of Omaha Insurance Company of its willingness to continue underwriting your group program under the captioned policy number for the year January 1, 1966, to January 1, 1967, at the current rates.

Over the past six to eight months, we have noticed a definite upward trend in the loss ratio on this program. If this trend continues during the coming policy year, it may be necessary for us to request an adjustment in the rates for the contract period of January 1, 1967, to January 1, 1968.

If you have any questions, be sure to let us know.

Yours sincerely,

  
A. W. Randall

Executive Vice President
